

WOODEN TRAYS

GALO GROUP
WOOD MANUFACTURE

www.galogroup.eu

ABOUT US

In wood product manufacturing we are since 2009 and we successfully implement projects with restaurants, cafe, holiday homes, souvenir shops and government.

We are making eco-friendly wooden tableware, decor for kitchen, rotating trays and boards, revolving cake stands.

In productions we use only solid wood (ash tree, oak, linden tree, larch, beech) and organic oils with food grade Certificate. The quality of our goods and convenience of our clients are most important values for our company!
